

REMARKS

The amendment on each of claims 1 and 2 is supported by the original claim 4. The amendment on claim 5 does clearly not have new matter. The amendment on claim 6 is supported by lines 1-2 of the paragraph [0049] of the specification. Claims 7 and 8 are respectively supported by claim 5 and the amended claim 6. We thus believe that the above amendments on the specification and on the claims do not contain any new matter.

If there are any questions regarding this Preliminary Amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.
